

When lifting a load consider the weight, if you don't, an injury might be in your fate.

SURRY

INSURANCE

Be safety smart and think
before you start.

SURRY

INSURANCE

Do not block your view.
Just carry a few.

SURRY

INSURANCE

Forget about safety and things will get shaky.

SURRY

INSURANCE

Twists and strains are no one's gain. Avoid twisting when carrying a load.

SURRY
INSURANCE

Improper use of a ladder
can cause your bones to
shatter.

SURRY
INSURANCE

Don't let safety slip out the door. Take the time to clean up the floor.

SURRY
INSURANCE

Improper reaching will send your back screeching.

SURRY

INSURANCE

Using a ladder or step stool will ensure you'll be home tonight.

"Be safety smart and think before you start".

SURRY
INSURANCE

Play it smart; use a cart,
avoiding injury.
