What is CTE Month?

*Career and Technical Education Month®, or CTE Month®, is a public awareness campaign that takes place each February to celebrate the value of CTE and the achievements and accomplishments of CTE programs across the country.*

**Moore County Schools CTE Month Celebration Events:**
MCS Career Fair (Virtual) will open on February 23-26, 2021 to all students 5th - 12th grade. Access information and agenda of career pathways with business interview/highlights participating will be emailed out to each school once finalized #virtualcareerexploration

**CTE Teacher Highlights on Social Media**
All middle and high school CTE teachers' career journey will be highlighted on social media throughout the month.

**Career & Technical Student Organizations and Officer Highlights**
All CTSOs at each respective high school will be highlighted at the school and on social media. The student officer panel will be shared with an overview of the mission of the CTSO and what purpose they serve on the local, state, and national levels.

**Business Advisory Council Meeting** - February 23, 2021

*CTE Department, January 2021*
