School Improvement Plan Brief Overview

School Name: Carthage Elementary School

Principal: Debbie Warren

School Improvement Chairperson: Lisa Moore

Three measureable points of pride:

TWC Survey

Met all AMO goals

Academic Growth of males 53.7 to 55.1%

Goals to improve our school in the coming year:

- Facilitate a successful MTSS program.
- Find the keys to growing our EC and economically challenged students.
- Effective professional development that affects the growth of our students academically and personally.

Key strategies to continuously improve and accomplish goals:

- Utilize our time in instruction.
- Be prepared each day to facilitate learning aligned with the standards.
- Continue to value the close professional relationships that allow for collaboration and cooperation.

Board of Education and community members can assist us in reaching our goals by:

- Support the academic growth of all our students.
- Emphasize the importance of a Reading Teacher at each grade level.
- Continue to be present at school and community events and celebrations.

Exceeded MCS in Proficiency with Multi Racial students in 2016. Exceeded MCS in Proficiency in 3rd Grade Math for 2016. Teacher Working Condition data showed 100% of the faculty agreed that Carthage Elementary School is a good place to work and learn. Academically rich summer program based on 80 days around the world. The instruction, student facilitate research, filed trips, and food were designed around the international culture. Carthage Elementary School students read over 125,000,000 words. The average Lexile level of 2nd grade students in August 2015 was 133. The average Lexile level of those same students in May of 2016 was 555, an average growth of 422 points.
2. What does the data analysis and/or comprehensive needs assessment tell you about the school's gaps or opportunities for improvement? Under performed MCS in Proficiency in All, Females, Males, Students with Disabilities, and White students. Under performed MCS in Reading Proficiency in 3rd, 4th, and 5th grade. Under performed 4th grade MCS in Math. Proficiency in All, Economically Disadvantage, Males, and Whites. Underperformed MCS Proficiency in Science in All, Female, Male, and Whites.
3. What data is missing, and how will you go about collecting this information for future use?
Priority Area 1:
Close the achievement gap between Students with Disabilities and All students.
Priority Area 2: Close the achievement gap in Math for all 4th grade students.
Priority Area 3:
Carthage Elementary is piloting the MTSS program for MCS. Our goal is to implement the MTSS program to fidelity while utilizing support from the district and state level. The ultimate goal is to be a model for which MCS can utilize in developing an effective MTSS program in all MCS.
Priority Area 4:

PRIORITY AREA 1 AND ASSOCIATED STRATEGIES PLAN: School Improvement Plans are developed based on data analyses and/or comprehensive needs assessments (PLAN), to implement solutions (DO), to understand the results or impact (CHECK) and to make adjustments based upon the outco nes of the strategy implementation (ACT). Close the achievement gap between Students with Disabilities and All students. Priority Area 1 Students with Disabilities (24.0%) scored lower than All students (58.4%) in all grades and subjects. The 2016-2018 (2 years) goal is for our students with disabilities to *SMART Goal be 58.4% or higher in proficiency. *Specific, Measurable, Attainable, Results-Oriented, Timebound Target Goal for 2016-17 (What goal must be reached to be on target to meet Instruction will be rigorous, engaging, and on grade level for all students with disabilities to reach our 2016-2017 goal of 45.0% or greater proficiency. SMART goal?) MCS Growing to Greatness 2.0 Key Indicators of Success - Learning Pathway DO: School Improvement Plans are developed based on data analyses and/or comprehensive needs assessments (PLAN), to implement solutions (DO), to understand the results or impact (CHECK) and to nts based upon the outcomes of the strategy imple nentation (ACT). IMPROVEMENT STRATEGY #1 **Action Steps to Implement Improvement Strategy** 1) Observe instruction at least 3 times per week in each teacher's classroom. These observations will be completed by principal, assistant principal, and instructional coach. 2) Increase the number of instructional assistants serving in 1st grade to create a 1:1 ratio (one teacher with one instructional assistant). Utilize materials that are aligned with the content area standards. 4) IEPs goals will be aligned with content standards and specific skills each student needs to acquire. 5) Disaggregate assessment data to align instruction with academic needs of individual students. 6) Utilize small group instruction in class and out of class(resource room) to meet the requirements of grade level instruction. 9) Action Steps to Implement Associated Professional Development dentify associated professional development courses/activities, participants, providers, and the dates activities will begin and end. 10) Focus on differentiated instruction facilitated through the instructional coach one time per month during PLC time for the 2016-2017 school year. 11) Using data to facilitate learning for all students to be delivered by the instructional coach one time per month during PLC time for the 2016-2017 school year. 12) How to align the IEP goals in the regular education setting? This will be facilitated in collaboration with the EC department and instructional coach. Action Steps to Implement Associated Parental Involvement dentify parental involvement activities, providers, and the dates activities will begin and end. 13) Share with parents the MCS content standards in a user friendly language for parents to partner with their child's teacher to enhance learning at home. 14) Parents will have a draft of the IEP at least 48 hours before the scheduled meeting to be able to better understand and participate in the IEP development. 15) IMPROVEMENT STRATEGY #2 **Action Steps to Implement Improvement Strategy** 2) 3) 4) 5) 6) 8) 9) **Action Steps to Implement Associated Professional Development** d professional development courses/activities, participants, providers, and the dates activities will begin and end. 10) 11) 12)

PRIORITY AREA 3 AND ASSOCIATED STRATEGIES				
PLAN: School Improvement Plans are developed based on data analyses and/or comprehensive needs assessments (PLAN), to implement solutions (DO), to understand the results or impact (CHECK) and to make adjustments based upon the outcomes of the strategy implementation (ACT).				
Priority Area 1	Carthage Elementary is piloting the MTSS program for MCS. Our goal is to implement the MTSS program to fidelity while utilizing support from the district and state level. The ultimate goal is to be a model for which MCS can utilize in developing an effective MTSS program in all MCS.			
*SMART Goal	The MTSS Team will be set up and complete all the gateways of a successful MTSS program at the end of the 2018 school year.			
*Specific, Measurable, Attainable, Results-Oriented, Timebound	The wiss ream will be set up and complete all the gateways of a successful wiss program at the end of the 2016 school year.			
Target Goal for 2016-17 (What goal must be reached to be on target to meet				
SMART goal?)	The MTSS Team will be developed and trained at the pace designed by MCS for this pilot training year by the end of June 2017.
