

## 2016-2017 School Improvement Plan One Page Summary

School Name: West End ES

Principal: Antigone P. Peek

School Improvement Chairperson: Stephanie Mills

## Three measurable points of pride:

- WEE data shows strong gains in SY 15-16 5<sup>th</sup> EOG/Sci (82% proficient); SY 14-15 (58% proficient); and SY 13-14 (64% proficient)
- Met 15-16 growth status and gains in overall Reading proficiency with 69%. Further, WEE met all of its target groups in all content areas
- 3<sup>rd</sup> grade highest proficiency in Reading/Math (75% and 70.3% respectively). 5<sup>th</sup> grade made gains in reading/math by 5.6% and 15.5%; 4<sup>th</sup> grade proficient in reading/math (72.2% and 62%). Our lexile growth increased EOY (15-16) and BOY (16.17).

## Goals to improve our school in the coming year:

- WEE data shows 5<sup>th</sup> proficiency in Reading/Math (59% and 56% respectively)
- Gap between Black/White/Hispanic Students (13-23% points); need to close the gap by raising proficiency among the non-white students
- Provide an intervention/tutor part-time to support our struggling readers at WEE (K-5)

## **Key Strategies to continuously improve and accomplish goals:**

- Hire part-time tutor for remediation/intervention for students (R/M)
- Provide professional development in Reading/Math to staff (specifically to 5<sup>th</sup> teachers and K-3 teachers on MClass/TRC strategies)
- Observation, monitor, reflection and focus on data in PLCs, grade level meetings

## Board of Education and community members can assist us in reaching our goals by:

- Opportunities for teachers to observe in MCS schools with similar demographics in our target deficit areas (Reading/Math)
- Central office services to facilitate specific professional development strategies to staff in target areas (Reading/Math instructional best practices).

## SCHOOL IMPROVEMENT PLAN

School Name West End Elementary School School Number 368

School Address 4483 NC Hwy 211, West End, NC 27376

Principal Antigone P. Peek

District Name/State Local Education Agency (LEA) Number Moore County Schools (630)

Date of Initial School Staff Vote of Approval 12-Sep-16
Date of Last Review/Update 9/19/2016

Principal Signature (Signature On File)

Board of Education Authority Signature (Signature On File)

#### **School Vision and Mission Statement**

#### Visior

West End Elementary vision is to develop a well rounded student who is eager to learn, is self-confident, and is a productive member of society. This will be accomplished in a nurturing environment, utilizing a comprehen

#### Mission Statement

The faculty and staff of West End Elementary School, with the support of community, are committed to creating a safe, positive environment where all children are encouraged and expected to learn. We believe that it is our task to set high expectations for growth of students and the staff by providing appropriate instruction and staff development.

#### District and State Goal Alignment

#### Moore County Schools Key Indicator of Success - 1) Learning Pathway

Supports State Board of Education Goal: North Carolina public schools will produce globally competitive students.

### Moore County Schools Key Indicator of Success - 2) Community

Supports State Board of Education Goal: Leadership will guide innovation in North Carolina public schools.

#### Moore County Schools Key Indicator of Success - 3) Culture Pathway

Supports State Board of Education Goal: North Carolina Public School students will be healthy and responsible.

#### Moore County Schools Key Indicator of Success - 4) Leadership Pathway

Supports State Board of Education Goal: North Carolina public schools will be led by 21st Century professionals.

Supports State Board of Education Goal: North Carolina public schools will be governed and supported by 21st Century systems.

| School Improvement Plans are developed in accordance wit | h NC General Statute 115C-105 27 |                                |                                |

# SUMMARY OF SCHOOL DATA ANALYSIS AND/OR COMPREHENSIVE NEEDS ASSESSMENT 1. What does an analysis of your school data and/or a comprehensive needs assessment tell you about the school's strengths? West End ES data shows strong gains in 5th Science EOGs of SY 16-17 (82% proficient); SY 15-16 (58% proficient); and SY 13-14 (64% proficient). Meeting NCDPI growth status and gains in Reading proficiency overall with 69% proficient. West End ES met all of it's target groups in all content areas. Our 3rd grade students had the highest proficiency in reading and math (75% and 70.3% respectively). WEE 5th graders made gains in reading and math proficiency ( 5.6% points and 15.5% points). 4th graders proficiency in reading was 72.2% and in math, 62%. 2. What does the data analysis and/or comprehensive needs assessment tell you about the school's gaps or opportunities for improvement? West End data shows 5th grade proficiency in Reading and Math (59% and 56% respectively). Also, the gap between Black and White students are between 30 and 40 points in reading and math. Hispanics and Economically Disadvantaged students all perform significantly better than our Black students at West End. (We must keep in mind that some of these students may represent the same subgroup). For the past three (3) years, the free and/or reduced priced meals at West End has been consistently about 40%. Due to not all students showing proficiency in mClass/TRC (K-5), there is need to provide intervention/tutor support to our struggling readers at WEE. 3. What data is missing, and how will you go about collecting this information for future use? Currently, West End ES is missing the specific students who are economically disadvantaged. We do not know specifically which students are performing significantly below their peers due to being economically disadvantaged. Additionally, there is a lack of math data due to not having a universal screener that addresses math. Priority Area 1: Staff/Student Culture Priority Area 2:

Priority Area 3: Literacy

Priority Area 4:

|   | PRIORITY AREA 1 AND ASSOCIATED STRATEGIES   |
|---|---|
|   | loped based on data analyses and/or comprehensive needs assessments (PLAN), to implement solutions (DO), to understand the results or impact (CHECK) atcomes of the strategy implementation (ACT).                                |
| Priority Area 1   | Staff/Student Culture   |
| *SMART Goal *Specific, Measurable, Attainable, Results-Oriented, Timebound                    | By June 2018, WEES will increase teacher survey results regarding Teacher Leadership by 10% points from 46.9% to 56.9% and Managing Student Conduct from 79.4% to 89.4% as evidenced by the NC Teacher Working Conditions Survey. |
| Target Goal for 2016-17<br>(What goal must be reached to be on target to meet<br>SMART goal?) | By June 2017, WEES will increase teacher survey results regarding Teacher Leadership by 5% points from 46.9% to 51.9% and Managing Student Conduct from 79.4% to 84.4% as evidenced by the NC Teacher Working Conditions Survey.  |
| MCS Growing to Greatness 2.0  | Key Indicators of Success - Culture Pathway   |
| DO: School Improvement Plans are develop<br>to make adjustments based upon the outcor         | bed based on data analyses and/or comprehensive needs assessments (PLAN), to implement solutions (DO), to understand the results or impact (CHECK) and mes of the strategy implementation (ACT).                                  |
|   | IMPROVEMENT STRATEGY #1   |
| Continue appropriate implementation of PBIS.  |   |
|   | Action Steps to Implement Improvement Strategy  |
| Provide additional differentiated training for s  |   |
| Provide materials for staff to implement PBIS     Ensure WEE is using a common language in    |   |

## **PRIORITY AREA 3 AND ASSOCIATED STRATEGIES** PLAN: School Improvement Plans are developed based on data analyses and/or comprehensive needs assessments (PLAN), to implement solutions (DO), to understand the results or impact (CHECK) and to make adjustments based upon the outcomes of the strategy implementation (ACT). Priority Area 1 Literacy By June 2018, WEE will increase the number of students proficient in reading in 5th grade from 50 to 68 percentage points as measured by state mandated \*Specific, Measurable, Attainable, Results-Oriented, Target Goal for 2016-17 (What goal must be reached to be on target to meet By June 2017, WEE will increase the number of students proficient in 5th grade reading by 9 percentage points (half way to our goal of 18 percentage points by 2018) to remain on target; thus decreasing the achievement gap. SMART goal?) MCS Growing to Greatness 2.0 Key Indicators of Success - Learning Pathway DO: School Improvement Plans are developed based on data analyses and/or comprehensive needs assessments (PLAN), to implement solutions (DO), to understand the results or impact (CHECK) and to make adjustments based upon the outcomes of the strategy implementation (ACT). IMPROVEMENT STRATEGY #1 Appropriately implement the reading instructional best practices during the Literacy block which incorporates components of the Writing Block. **Action Steps to Implement Improvement Strategy** 1) Build master schedule to include the writing block, explicit use of the intervention time and specific instructional methods during the ELA block to enhance student proficiency and mastery. Utilize a writing framework to support teaching and student learning. PLCs will utilize data analysis to plan for intervention and enrichment. 5) **Action Steps to Implement Associated Professional Development** entify associated professional development courses/activities, participants, providers, and the dates activities will begin and end. 10) Provide PD to support the writing framework and literacy standards. Administrative team will see evidence of the concepts learned and will provide feedback 11) 12) Action Steps to Implement Associated Parental Involvement dentify parental involvement activities, providers, and the dates activities will begin and end. 13) Offer curriculum nights for parents to learn about the concepts taught at school and provide resources for reinforcement. 14) 15) IMPROVEMENT STRATEGY #2 Appropriately analyze and implement literacy standards. **Action Steps to Implement Improvement Strategy** 1) PLCs will create and administer common assessments once per grading period. 2) PLCs will analyze common assessment data in order to inform instruction and to form I/E groups and plans. 3) Continue to implement the explicit elements of a structured Literacy program school-wide to provide differentiation individualized learning pathway in reading for every student Provide extra literacy support via a part-time tutor. **Action Steps to Implement Associated Professional Development** Identify associated professional development courses/activities, participants, providers, and the dates activities will begin and end. 10) Provide PD to support the implementation of common assessments and to support literacy standards and teaching strategies. Administrative team will see evidence of the concepts learned and will provide
