School Improvement Plan 2019-2020

CORE BELIEFS: We believe
All students can learn at high levels.
We must take collective ownership for ALL students in order for them to reach their potential.
Collaborate with each other as one Professional Learning Community (PLC) so that instruction is standards based, equitable, and student-centered.
All things are possible.

MISSION
Our mission at Aberdeen Primary Schools is to do whatever it takes to grow ALL students every day.

VISION
Empowering the next generation of leaders.

PRIORITY NEEDS

PRIORITY NEED 1: LITERACY
By June 2020, Aberdeen Primary School will increase their school-wide literacy proficiency rate by 11 percentage points from 69% to 80% as measured by mClass Dibels.
Improvement Strategy 1: Enhance core instruction of the Aberdeen Primary School literacy block.
Improvement Strategy 2: Analyze student data and intervene when deficits appear.

PRIORITY NEED 2: MATH
By June 2020, Aberdeen Primary School will increase their school-wide math proficiency rate by 9% from 71% to 80% as measured by district created benchmarks.
Improvement Strategy 1: Enhance core instruction of the Aberdeen Primary School math block.
Improvement Strategy 2: Collect and analyze math benchmark data and common assessments.

PRIORITY NEED 3: CULTURE
By June 2020, Aberdeen Primary School will be at or above the state averages provided by the 2020 Teacher Working Condition Survey Results.
Improvement Strategy 1: Maintain Positive Behavior Interventions and Supports (PBIS) program to achieve exemplar status.
Improvement Strategy 2: Target the four weakest areas within the 2018 Teacher Working Condition Survey Results.

Principal: Daryl N. Jackson
Assistant Principal: Mrs. Rachel Andress

School Improvement Meeting Dates: 3rd Wednesday of every month
