MISSION
All students will learn. All students will grow. All students will thrive.

VISION
New Century Middle School prepares future leaders in a safe, supportive, and challenging environment.

PRIORITY NEEDS

PRIORITY NEED 1: By June 2021, NCMS will increase proficiency in all grade levels and subjects as measured by achievement of ESSA goals and NCFE proficiency.

Improvement Strategy 1: Teachers will participate in vertical planning by subject 2 times per year
Improvement Strategy 2: Teachers will increase rigor and relevance in all Tier 1 instruction.
Improvement Strategy 3: Targeted professional development will be provided on the MCS Instructional Framework with support for implementation.
Improvement Strategy 4: Teachers will participate in effective CLTs using the PDSA process to drive instruction and intervention.

PRIORITY NEED 2: By June 2021, NCMS will exceed expected growth through effective Tier 2 and Tier 3 intervention practices.

Improvement Strategy 1: The MTSS team will create a multi-tiered structure to provide support for Tier 1 instruction and create and implement school wide criteria for placement in Tier 2 and Tier 3 intervention.
Improvement Strategy 2: The MTSS team will facilitate the training and school wide use of interventions and the PEP form to progress monitor Tier 2 and 3 interventions.
Improvement Strategy 3: The MTSS team will monitor the effectiveness of the implementation of Tier 2 and 3 strategies using Star and Check In assessments.

PRIORITY NEED 3: By June 2021, office referrals for males will decrease by 20%

Improvement Strategy 1: NCMS staff will continue to reflect on Educator Handbook and PBIS data and analyze the results via reflections.
Improvement Strategy 2: NCMS staff will participate in professional development that focuses on learner engagement and conflict resolution/de-escalation strategies specific to boys.
Improvement Strategy 3: NCMS will develop an effective mentoring program that will include staff and community members.
Improvement Strategy 4: NCMS staff will implement the PBIS model and rewards more consistently.

PRIORITY NEED 4: By June 2021, 90% of students will feel a sense of belonging at NCMS as measured by the Panorama Survey.

Improvement Strategy 1: NCMS staff will participate in SEL training focused on components of mental health that impact learning and how to address them.
Improvement Strategy 2: The SIT will form a Social-Emotional Learning team to identify and provide support for students who do not have significant relationships in school.
Improvement Strategy 3: The PBIS Centurion Connections team will incorporate activities that encourage and support positive peer relationships and interactions.

Principal: Mrs. Tracy Metcalf
Assistant Principal: Ms. LaShunda Maynor
