MISSION
We will encourage and challenge all students to realize and fulfill their potential.

VISION
We seek to provide a safe, comfortable, and inviting place for our students to become respectful and responsible adults, successfully prepared for careers and college.

PRIORITY NEEDS

PRIORITY NEED 1: North Moore High School will work to achieve greater than a year's growth each year while meeting all accountability measures needed to sustain a B or higher grade.

Improvement Strategy 1: Every North Moore High School teacher will participate in effective PLC processes that emphasize the use of individual student data to ensure depth of understanding and appropriate rigor for all students in identified Power Standards.

Improvement Strategy 2: Use the 6-12 Instructional Framework to support increased student engagement in all courses.

Improvement Strategy 3: Foundational courses preceding Math 1 and Biology will be offered in the fall and feed directly into Math 1 and Biology in the spring to increase the foundational knowledge of students prior to these EOC courses so students obtain maximum growth and proficiency.

Improvement Strategy 4: Monthly professional development with a focus on the topics of PLCs, instructional strategies, differentiation and engagement will be provided for all teachers.

PRIORITY NEED 2: Increase school spirit as evidenced by increased attendance at school sponsored activities while maintaining a positive school culture and climate that leads to student success.

Improvement Strategy 1: The SGA will seek to actively promote and engage students in teams, clubs and school sponsored events while being supported by teachers who have assigned roles throughout the year to ensure a variety of activities exist to appeal to all students.

PRIORITY NEED 3: Maintain the high level of satisfaction teachers have as members of The Mustang Family as evidenced in the Teacher Working Condition Survey.

Improvement Strategy 1: Teachers will receive appropriate and ongoing support to ensure they are successful and satisfied classroom teachers who contribute to the total school performance and growth.

Principal: Mrs. Jennifer Purvis
Assistant Principal: Mr. Jerid Cassady
Assistant Principal: Mr. Joseph Patterson
