Using Destiny to Find a Book
Destiny is a type of **OPAC**

- **So...what is an OPAC????**
  - **Online Public Access Catalog** or more simply put, a Library Catalog
- **Still confused??**
  - It is simply a way of searching for a book
This is what the home page looks like!! It is the first page or part of a website.
I typed in “Gary Paulsen” to do an author search.
I clicked on this book!

What info do I need to find the book on the shelf???

Call number!!!

B PAU
I typed in “dogs” to do a subject search.
